

# PLEASANT RIDGE CHRISTIAN ACADEMY

**2025 - 2026**

# SPONSORSHIP PROPOSAL

**PREPARED FOR:**  
Potential Business Partners

As a non-profit ministry, P.R.C.A. is seeking local businesses that are interested in partnering with our mission of growing the Kingdom of God through Christian Education. Will you join our mission?

# WHY P.R.C.A.?

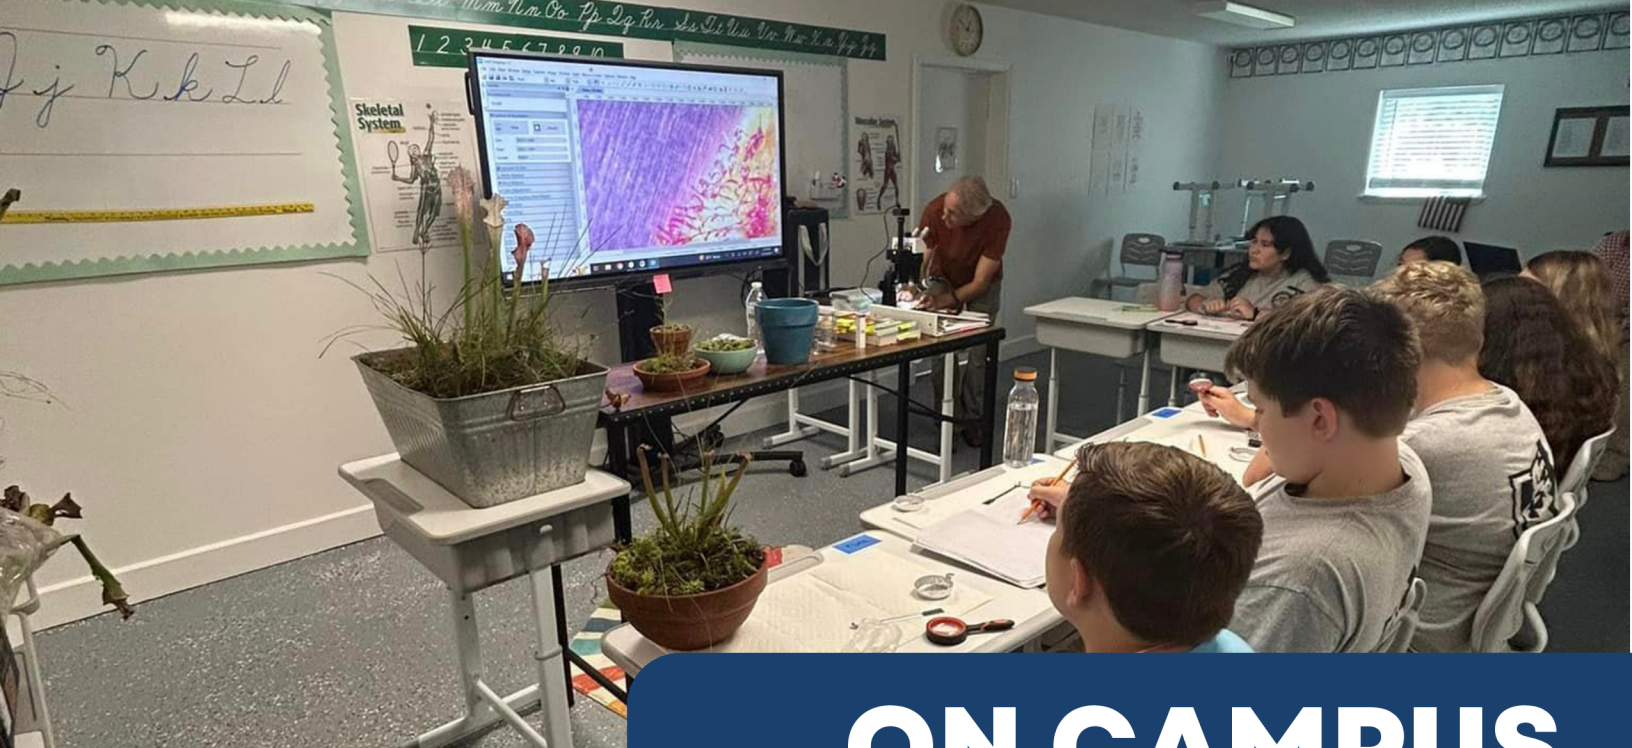

**Pleasant Ridge Christian Academy exists to provide students with both a Biblical worldview and academic excellence to make a positive difference in the lives of our students, families, and community.**

In a world of ever-shifting values and morals, we want to give students a firm foundation for the future. P.R.C.A. affirms God's sovereignty and Christ's kingship. Everything we do is intended to honor God and advance His kingdom. Students at P.R.C.A. will be taught the vision of God's kingdom and their special place in it, along with how biblical truths are applied to every area of life.

We believe that parents, rather than the state, are responsible for their children's education. We further believe that P.R.C.A. is an instrument of God designed to help parents faithfully discharge their responsibilities. We employ called, gifted, and Godly faculty and staff who strongly believe in the Lordship of Jesus Christ and share a passion for excellence in Christian education.

We will endeavor to build individual relationships with each student to learn their unique, God-given gifts and talents. Each student will be challenged and encouraged to reach their full potential as they develop as a whole person to be equipped with the knowledge, character, and skills needed to become competent servants of Christ. To accomplish this, we will emphasize academic excellence, spiritual maturity, leadership development, physical fitness, and high standards of Christian character.

Families who partner with P.R.C.A. can trust that their child(ren) will be taught biblical principles daily and that their eternal salvation is at the forefront of our mission to provide Christian education.

# ON CAMPUS

## Classrooms

Our classrooms have modern sleek adjustable desks that can be customized for each student. Each classroom has its' own reading corner and we have partnered with the Defuniak Springs Library to update our reading corners each quarter for continuous reading adventures.

## Game Room

Our indoor activity time will include air hockey, pool, ping pong, Wii, and several more games for students.

## Physical Health

We believe physical activity is invaluable for our students' physical and mental health, so they receive an average of 2 unstructured outside play times per day.

## Electives

Art, Horticulture/4H, Computer Skills, and STEAM are offered for our students to creatively use the gifts God has given them.

## Chapel

Spiritual formation is an important part of a student's growth. Chapel services will be held each week. During chapel, students will sing, read scripture, and pray together. Guest speakers and local area pastors will give testimonies to the student body.

## Future Facility

Our current location at Pleasant Ridge Baptist Church is a temporary solution until we can build a larger infrastructure to support our school's growth. It is our goal to build a state-of-the-art facility to provide students with the latest innovative technology and tools to aid in their educational experience.

# LETTER FROM THE DIRECTOR

S H A L Y N T I S O N

Valued Community Member,

Pleasant Ridge Christian Academy (P.R.C.A.) invites you to partner in the mission of Christian education. Christian education can be defined as an education process in which God works through His committed teachers, biblical methods, and truthful curriculum resources to build disciples with the biblical worldview, character, and skills necessary to fulfill God's calling and live for His Glory. The academy provides a biblical worldview, focusing on STEAM, horticulture, and additional life skill courses taught alongside a partnership with Walton County 4H. Due to facility constraints, during the '25-'26 school year, we will accept students entering the 6th, 7th, and 8th grades. We are actively praying for resources and working diligently towards expanding facilities each year to add additional grade levels through the 12th grade, with the long-term plan of building a K-12 academy. Several opportunities are currently available if you feel called to support the academy. I look forward to partnering with you to make our community a better place.

Our greatest need is prayer. Please pray specifically for our future students, our faculty, our staff, and for facilities to accommodate future growth. We truly believe God has called us to advance His kingdom through P.R.C.A. Your prayers are deeply appreciated.

We look forward to hearing from you with your plan of support. May the Lord bless your family, your business, your employees, and your employee's families.

Sincerely,  
P.R.C.A. Director

*Shalyn Tison*

# OVERVIEW

## A C A D E M Y   H I G H L I G H T S

### Kingdom Education

P.R.C.A. will use the Bob Jones Curriculum to ensure that students receive a complete biblical worldview taught in every class, every day. This means a focus is on who God is, who your student is according to God's Word, and how your student fits into God's plan for their life. Our lesson content also focuses on integrating all five S.T.E.A.M. disciplines to engage students and prepare them for the possibility of applying these principles to careers or other real-life situations.

### Accreditation

P.R.C.A. is constantly striving to provide an excellent Christian education by seeking accreditation and affiliations with state and national organizations that exemplify excellence in education standards. P.R.C.A. is working towards accreditation through the Florida Association of Christian Colleges and Schools (F.A.C.C.S.).

### Faculty/Staff

We offer personal attention with nurturing teachers, small student/teacher ratios, and a family-friendly atmosphere. All our employees, professing Christians, faithfully attend the Trinitarian church of their choice. P.R.C.A. is a non-denominational academy, although the academy answers to its Board of Directors, who all are active members of Pleasant Ridge Baptist Church or another Trinitarian church. We encourage everyone from any Trinitarian denomination to explore the like-minded community of believers we are pleased to serve.

### Parental Communication

We use an online database management system that gives parents 24/7 access to homework, grades, announcements, and communication options so they have the information they need when they need it.

### Scholarships

We offer different tuition assistance opportunities to help offset costs, including an in-house scholarship.

### Expansion

P.R.C.A. serves students going into the 6th, 7th, and 8th grades for the 2025-2026 school year. We will expand by adding a grade level each year until we are a 6th-12th and eventually K-12th grade academy.
